

Telehop Communications announces temporary management changes

TORONTO, Oct. 23 /CNW/ - Telehop Communications Inc. ("Telehop") (TSXV: HOP) announced the following temporary changes in its Management Team:

Mr. Fulvio Ciano, currently CTO of Telehop will take on the position of Acting CEO. Mr. Ciano has been with Telehop since January 2009 and was also previously with Telehop as its CTO in 2001.

Mr. Stan Katz, currently COO/CMO of Telehop and a Telehop Board Member, will take on the position of Acting Board Chair.

Both of these positions will be in place while Mr. Hersh Spiegelman, Founder, Chair and CEO of Telehop Communications recuperates from his recent surgery.

Telehop also announced the launching of its inexpensive Telehop Mobile More Cell Phone Calling service, allowing unlimited local cell calling on any cellular service for only \$4.99 per month.

Telehop is licensed by the CRTC and provides a complete range of value-priced telecommunications services to Canadians in both residential and business markets. Telehop offers its branded 10-10-620 and 10-10-100 Dial Around Services and Telehop Long Distance 'Equal Access' and alternative Directory Assistance (411) Programs. Telehop also provides toll free numbers, Virtual Calling Cards, and the Telehop HomePhone VOIP flat rate services.
